HANDLING &
STORAGE
INFORMATION

Directions For Use

From Frozen unless otherwise stated Oven: Preheat oven to 220°C/200°C (fan)/Gas Mark 7. Place rolls on a baking tray in the centre of the oven for 20 mins until golden brown. Check rolls are piping hot throughout before serving. These are guidelines only. Appliances may vary. Do not reheat once cooled. Do NOT refreeze once defrosted. For best results bake from frozen. Ensure a core temperature of >75°C is achieved (or relevant national requirements) for at least 30 secs before serving. For fan assisted ovens reduce baking times as per the manufacturer's instructions. Always ensure product is piping hot prior to serving. To maintain vegan integrity, please ensure all equipment used for vegan preparation/cooking/serving is clean or dedicated for vegan use only.

Storage Instructions

Keep Frozen. Store at -18°C or below
